

# Home Expansion – Paper Towel holder, stackable

**READ General Instructions FIRST!**

**TIP:** Most pieces fit together without glue. Do a test run first, before gluing.

**Sheets:  
HP1 to 3**

1 the pieces that need to be glued together.

2

2 first glue in the 2 small strips with the 3 tabs into the slits of the bottom from below

**3** Glue together 2 each of the towel holders, very fittingly. Do this twice.

4 Glue in the 2 paper holder strips into one side of the towel holder. The tabs stick out on the side.

Make sure there is NO glue between the paper holder pieces.

5

5 Glue in the 2 paper holder strips into the other towel holder. The tabs stick out on the side.

6

6 Glue this into the slits of the bottom plate. With plenty of glue.

7

7 Glue on one sidewall. Make sure there is plenty of glue between the sidewall and the towel holder. Also glue in the little guide piece.

Tip: During glue drying use vice grips to ensure good adhesion

8

8 Glue on the other side wall the same way. Then glue in the back wall, little round holes towards the top.

Ensure right angles.

9

9 Glue on the top plate. Ensure right angles.

10

**10** Glue the Paper roll holder together by the long sticks inserted into each other and then gluing on 2 each of the round end pieces. Use plenty of glue to connect the 2 long sticks to ensure strength.

**11** Put paper towel roll over the stick, loose paper facing down. Fit stick into the towel holder, no glue. Guide the paper in between the 2 paper holder strips by pushing against and up.

**Do not use excessive force when ripping off paper towels.**
